

## ABOUT THE AUTHOR

*Darcy Scott*

Award-winning author **DARCY SCOTT** (Best Mystery, 2013 Indie Book Awards; Silver Award, 2013 Readers Favorite Book Awards; Bronze Award, 2013 IPPY Awards) is a live- aboard sailor and experienced ocean cruiser who's sailed to Grenada and back on a whim, island-hopped through the Caribbean, and been struck by lightning in the middle of the Gulf Stream. For all her wandering, her summer home and favorite cruising grounds remain along the coast of Maine— the history and rugged beauty of its sparsely populated out- islands serving as inspiration for much of her fiction, including *Margel's Madness* and her popular Island Mystery Series (*Matinicus*, *Reese's Leap*, and *Ragged Island*). Her debut novel, *Hunter Huntress*, was published in 2010 by Snowbooks, Ltd., UK.
